

“Technologies for the future”

Convention from Friday, September 29th, till Sunday, Oct. 1st, 2017

Hotel Novapark, Fischeraustraße 22, 8051 Graz/AT

Friday, September 29th, 2017

- 12.30 am **Welcome Address and Overview**
Adolf & Inge Schneider, Jupiter Publishing House, Zurich/CH
Greeting messages of the cooperation partners
- 1.00 pm **Results of the 25th World Clean Energy Conference WCEC in Geneva**
UNO Organisations und their experiences with environment and sustainable energy
Gustav R. Grob, Dean, em., President of International Sustainable Energy Organisation ISEO
- 2.00 pm **Mobile und Stationary Applications of Methanol**
Energy change with a revolutionary energy source
Prof. Dr. Urs Weidmann, CEO of Silent-Power AG, Cham/Switzerland
- 3.00 pm **Elementary Knowledge for Green Energy and Healthy Food**
Martina Sumenjak, VP ISEO, President of Slovenian Biomass Association, Jarenina/Slovenja
- 4.00 pm **Coffee break**
- 4.30 pm **Revolutionary Method for Enhanced Plant Growing - with film!**
Profitable biological crop with zero energy regarding the CO₂ issue and dark energy
Christina Florian, Dipl.-Educator, Graz/Austria
Fritz Florian, Dr. med./book author, Graz/Austria
- 5.15 pm **Importance of Material Recycling for the Economy and Society**
Savings of energy und ressources for an environment friendly world
Fabio Maggiore, Manager, ORIM S.p.A., Piediripa Macerata/Italy
- 6.00 pm **Dinner break**
- 7.30 pm **“Thank you for calling”, Excerpts from the Film to the E-smog Issue**
Neutralisation and conversion of Electrosmog into positive live energy
Peter Andres, CEO SwissMedTechSolutions GmbH, Zurich/Switzerland
Florian König, Dr. sc./Dipl.-Eng., FKE Enterprise GmbH, Germering/Germany

Conference language

German and english with simultaneous translation

Congress Place:

Hotel Novapark, Fischeraustr. 22, AT 8051 Graz/Austria
www.novapark.at, office@novapark.at

Congress organizer:

Jupiter Publishing House, Emmersbergstr. 1, CH 8200 Schaffhausen/Switzerland
Phone. +41(0)52 620 0104, Fax +41(0)43 411 9162
redaktion@jupiter-verlag.ch, www.jupiter-verlag.ch

Online registration via: www.jupiter-verlag.ch/kongresse

in Cooperation with:

International Sustainable Energy Organisation ISEO, Geneva, Switzerland, <http://www.uniseo.org/>
The Slovenian Biomass Association SLOBIOM,, Jarenina/Slovenia, <http://www.novator.se/bioint/biomass.htm>
German Association for Space Energy GASE/DVR, www.dvr-raumenergie.de, Berlin/Germany
Swiss Association for Space Energy SASE/SVR, www.svrswiss.org, Schaffhausen/Switzerland
Swiss Associaton for Free Energy, SAFE www.safeswiss.ch, Zuerich/Switzerland

Saturday, September 30th, 2017

- 10.00 am **Weather Harmonizing with Desert Greening and Sphere Acupuncture**
Integral environment healing with Wilhelm Reich - new live in the desert!
Madjid Abdellaziz, Dipl.-Eng., Desert-Greening, Berlin/German/Zurich/Switzerland
- 11.00 am **Autonomous Generator for 7,5 kW from Zagreb/Croatia - with Demo!**
Energetic self supply with a free energy device
Rikarda Hrboka, Director, Innovatehno, Zagreb/Croatia (requested)
- 12.00 am **Lunch break**
- 1.30 pm **Reduction of Radioactive Radiation via Resonant Coupling**
New Insights to the functioning and effects of a stationary prototype
Gabriele Schroeter, Energy Researcher, New Politician World, Zurich/Switzerland
- 2.30 pm **Remarkable Healing Effects with the KST-2010 Therapy Device**
New methods for severe illnesses and improvement of quality of life
Joachim Galler, Engineer/Developer, Wien, **Fritz Florian**, Dr. med., book author, Graz/Austria
- 3.30 am **Coffee break**
- 4.00 pm **Collecting Waste on Islands and Plastics on Sea with Ships**
How a vision is transformed into reality and how energy can be produced from waste
Dirk Lindenau, Dipl.-Eng., CEO Maritime Engineering & Projecting, Kiel/Germany
- 5.00 pm **Egira® – New Energy for a Better World**
An autonomous system to produce electricity by exploiting atmospheric pressure
Fabio Maggiore, presenter of the invention of Mazza Loris, Italy
- 6.00 pm **Dinner break**
- 7.30 pm: **Russian Autonomous Hydraulic Energy Generator**
Presentation of the project and concepts for the market introduction of an hydraulic oscillator with piezoelectric energy conversion developed by **Dr. Vladislav V. Marukhin**, Moscow
Adolf Schneider, Dipl.Eng., CEO TransAltec Inc., Zurich/Switzerland

Swiss Association for Space Energy SASE/SVR, www.svrswiss.org, Schaffhausen/Switzerland
Swiss Association for Free Energy, SAFE www.safeswiss.ch, Zuerich/Switzerland

Sunday, October 1st, 2017

- 10.00 am **Future Technologies for Sustainable Development in the Book of Synergy**
New types of systems for energy conversions
Achmed Khammas, translator/journalist/webmaster, Berlin/Germany
- 11.00 am **Space Energy Technologies - Energy Solutions for the Future**
Informations to the activities of the German Association of Space Energy GASE/DVR
Thorsten Ludwig, Doctor of physics, president GASE/DVR
- 12.00 am **Lunch break**
- 1.30 pm **Keshe Plasma Technology for Energy Supply and Space Travel**
A unique technology and there varied applications - with Demo!
Dr. Richard Presser, Magravs Plasma Products, Black Burn/Australia
- 2.30 pm **Energy gain with the Bio-Toroid-Transformer - with Demo!**
Tests with a new sustainable energy source and energy technology
Adolf Schneider, Dipl.-Eng., Swiss Association for Space Energy, Zurich
- 3.30 pm **Coffee break**
- 4.00 pm **MAGMOV: Autonomous 3 kW Magnetic Motor from Georgia - with Demo!**
Revolutionary Magnetic Electric Generator MAGMOV
Daniel Youssefi, Inventor, Tiflis/Georgia
- 5.30 pm: **Final Words, Convention Closing**

Exposition of Books, Demonstration Units and Products

Journals, books and products are available on the book and exposition tables. The speakers will demonstrate their models and prototypes and will answer the questions of the visitors.
